## SIXTH SUNDAY IN ORDINARY TIME (B) Sunday 11th February, 2024

**Leviticus 13.1–2,44–46 Psalm 31 1 Corinthians 10.31 – 11.1 Mark 1.40–45**

The Book of Leviticus are given over to the laws regarding leprosy in the Law of Moses. The rules on leprosy come under the code of Holiness. That is why the priest in the book of Leviticus is the one who determines the leprosy, and why Jesus tells the man to go the priest to have his cleanness confirmed.

By avoiding physical contagion, leprosy requires the leper to be cut off from the community of God's people Israel. In cleansing the leper, Jesus not only carries out an act of healing but allows the man to be readmitted into the community of faith.

Sin cuts one off from the source of holiness and from the community of God's people.

This Lent season explores the idea of the Covenant between God and God's people. God takes the initiative, makes various promises, and is committed to the Covenant, often gives a sign of the Covenant, the people are called to be faithful, but often fail, and repeatedly God renews the Covenant.

The language of Covenant and sacrifice, life and death, sin and redemption that pervades the liturgy of the Sacred Triduum is an enriching Lenten exercise for all the faithful.

*Keep yourself safe and well, Fr. Emile*
